

**About Company:**

Furtados School of Music (FSM) was founded in July 2011, with a vision to make quality music education accessible to children and individuals, young and old, making the entire learning process fun-filled, joyous and memorable. In a short period, FSM has grown in the number of centers and schools offering its programs and instruments taught, and the faculty to capably support it. Today, FSM spans 31 points of presence across schools and centers, imparting music education to over 15,000 students.

Job Title: Online Music Educator

Job Description:

FSMbuddy is an online learning platform for music and creative courses, backed by Furtado's School of Music(FSM). FSM is one of the oldest and the most trusted name in the field of music education and is an affiliate partner of the prestigious Berkeley School of Music and Trinity College, London

With more than 150,000 students and 500+trained and certified music teachers and an internationally accredited curriculum, Fsmbuddy is today fulfilling the musical and creative aspirations of thousands of children and adults across India and overseas.

So if you have a background in music either as a vocal singer or instrument player and wish to join one of the fastest-growing Edtech companies in the music space, FSMbuddy is just the place for you.

Our teachers are well supported through training and certifications to become competent in teaching music online. Regular Masterclasses and workshops are conducted by veterans of the industry to create an environment of continuous learning by providing opportunities and forums to upskill and engage with the best in the craft.
