To,

The Deputy Commissioner,

Cachar, Assam

23rd September 2024

Dear Sir/Madam,

Greetings from UNICEF India. At the outset, please accept my sincere appreciation for your leadership in spearheading many new initiatives in your districts.

As you are aware, UNICEF India has been working with Government of India since last 75 years in a collaborative manner and works closely with 15 state governments through its state field offices. We work with our nodal ministry Min of WCD, GoI under a government approved 5 year Country planning document.

We take this opportunity to introduce you to **YuWaah** Initiative in UNICEF, a public private youth partnership platform that supports young people to be active changemakers using 21st century skills, employment and volunteering opportunities. One of UNICEF-YuWaah's latest initiatives is **YouthHub**, which is a comprehensive digital platform designed to empower the young people with discovery of jobs, free upskilling courses and volunteering opportunities to make them career ready.

YouthHub is a one-stop solution which provides job, upskilling and volunteering opportunities from multiple portals on a single platform. For the ease of youth, instead of searching for jobs / skilling courses through different multiple platforms, YouthHub makes it easy for the youth to prepare their CV free of cost and access thousands of jobs at one place relevant to their skills and aspirations.

In this context, we seek your support to reach young people in the age group of 14 to 29 years in your district to take advantage of the YouthHub platform. Attached with this email is a link to the Hindi and English poster (https://drive.google.com/drive/folders/18sXSehvXyRMAyyszAJDnYQ5fzyF8sH48?usp=share_link) with the QR code of the YouthHub application, which can be circulated to the following institutes in your districts:

9/24/2024, 4:55

1. Employment exchange offices
2. Industrial Training Institutes (ITIs) and Polytechnics
3. Degree Colleges and Higher Education Institutes
4. Senior secondary schools (For skilling)

We look forward to your support in enabling the young individuals of your district to build their dream career by leveraging the YouthHub platform.

Please feel free to reach us for any further information.

Thank you.

Warm regards,

Abhishek K Gupta
