Dear Professor Panda

Your membership number: P0129863

I am very pleased to inform you that you were elected as a Fellow by the Royal Society of Biology's Council on 1 October 2017

You are now entitled to use the designatory letters FRSB after your name. These letters signify to all that you are a professional biologist, well qualified and subject to a rigorous code of conduct.

If you have any queries regarding your membership please don't hesitate to contact the membership team by emailing membership@rsb.org.uk or by calling 01233 504804. It is important that we remain up to date with your current contact details so please take a moment to log into our [mySociety](#) portal using this email address to ensure that your address details are correct and contact the membership team if you would like to make any changes.

Via the Membership section of [mySociety](#) you can also download and print off a copy of your membership certificate and membership card, and edit your branch connections

To help you stay up to date with what's happening in the wider bioscience community, *The Biologist* magazine will be posted to you six times a year, and our members' e-newsletter and event notifications will be sent to your inbox each month. You can manage your subscriptions via mySociety, and, if you wish, you can choose to receive the online version of *The Biologist*. A full list of the benefits of membership can be found on our [website](#).

Through your membership you are contributing to the future status and understanding of all bioscience disciplines. I am sure that you will find membership beneficial and I hope you enjoy taking part in our activities.

Yours sincerely

Mark
