

REPORT ON BIRTH CENTENARY OF PROF. C. R. RAO

10TH SEPTEMBER, 2020

The Department of Statistics, Assam University celebrated the Birth Centenary of Prof. C. R. Rao, a living legend of Statistics on 10th September, 2020. The coordinator of the program was Dr. Rama Shanker, Associate Professor and Head, Department of Statistics, Assam University, Silchar. The Department organized a one day Webinar on “Life and contributions of Prof. C. R. Rao to Commemorate the Birth Centenary of the Living Legend of Statistics on that day from 4.00 P.M. onwards. The event was conducted online in Google Meet. The web link of the event was <http://meet.google.com/kwo-sotm-med>

The event was started at 4 P.M with a welcome address by the Head of Department Dr. Rama Shanker. After welcoming all the participants of the webinar he discussed in brief the contributions of C.R Rao and his qualities which make C.R Rao a living legend of Statistics in the World.

The Dean of the Albert Einstein School of Physical Sciences gave a brief speech on Prof. C. R. Rao contributions in different fields of knowledge. The honorable Vice Chancellor of Assam University, Prof. D.C Nath delivered opening remarks on Prof. C. R. Rao and discussed about the contributions of C. R. Rao in the field of Statistics and other disciplines. There were two invited speakers in the webinar, namely Prof. Amarendra Mishra, retired Professor of Statistics from Department of Statistics, Patna University, Patna and Prof. Kishore K. Das, Professor and Head, Department of Statistics, Gauhati University, Assam. Prof. Amarendra Mishra delivered his lecture on “Life and contributions of Prof. C. R. Rao” whereas Prof. Das Delivered a lecture on “A weighted epidemic chain binomial model with one introductory case and its chain probabilities”.
