ABOUT NIT SILCHAR

Established in 1967 as a Regional Engineering College in Assam, the National Institute of Technology Silchar, is one of the 31 national institutes of technology in India. The National Institutes of Technology Act of 2007 upgraded it to a National Institute of Technology and declared it an Institute of National Importance in 2002. Six engineering degree-offering branches and five non-engineering branches comprise the institution. Currently, the institution offers six undergraduate engineering courses, numerous post-graduate courses, and PhD degrees in areas such as civil, mechanical, electrical, electronics and communication, electronics and instrumentation, and computer science. The non-engineering branches include mathematics, physics, chemistry, humanities and social sciences, and management studies. The 2024 Asia University Rankings rank NIT Silchar at 178. The NIRF Rankings 2023 rank NIT Silchar 40th in engineering and 83rd overall. The QS Asia University Ranking 2023 places NIT Silchar in the rank band 401-450. NIT Silchar is ranked in rank band 601-800 in The World University Rankings 2023. NIT Silchar has been ranked in the rank band 501-600 for engineering in the The World University Ranking 2023.

ABOUT MMTTC, ASSAM UNIVERSITY, SILCHAR

The Malaviya Mission Teacher Training Centre at Assam University, Silchar (MMTTC-AUS), was established in 2023 under the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMNMTT) Scheme.

The aim of the Malaviya Mission Teacher Training Centre (MMTTC) is to equip individuals from various fields with the necessary skills to meet the growing challenges of their professions and to instil pride in their professional roles.

The primary objective of MMTTC is to address the needs of teachers, principals, research scholars, and non-academic staff by enhancing their knowledge and skills through systematic coursework and methodologies.

Vision: To inspire teachers to enhance institutional effectiveness through the development of their personal, instructional, organizational, and professional growth.

Mission: To promote organizational strategies for faculty development that incentivize professional growth among teachers and enable institutional advancement. Faculty development is expected to lead to improved teaching performance and better learning outcomes for both students and teachers. This initiative fosters new perspectives on the student-teacher relationship and increases commitment to educational scholarship. Developing well-rounded skills is a key aspect of faculty development.
